In an order filed January 10, 2025, the Court granted plaintiff's application to proceed *in forma pauperis* and dismissed this case with leave to amend. On February 5, 2025, plaintiff filed a "motion to withdraw" complaint, stating that Facebook has recently restored plaintiff's account and that as a result, plaintiff seeks to "withdraw the complaint without prejudice."

The Court GRANTS plaintiff's request and dismisses this case without prejudice pursuant to Federal Rule of Civil Procedure 41(a).
